

FJG is the Essex law firm with deep-rooted ethical values and cast-iron integrity, committed to providing expert legal advice and exceptional client service. FJG's ethos is to work hard every day to make FJG the preferred choice for anyone requiring legal advice from a law firm with a conscience.

Respected by clients and peers alike, FJG are committed to giving back to the locality in which we work, truly wanting to make a difference for you, your business and our shared communities. Together, our employees are driven by a desire to build a law firm for future generations where clients continue to receive outstanding legal advice from a firm with strong ethics and approachable staff.

We also pride ourselves on being a vibrant, innovative and tech nimble firm, embracing new ways of working to enhance our clients' entire experience of legal services. However, you can rest assured that with more than 35 years' experience, FJG remains current in our thoughts and actions but a trusted, established firm. Our expertise is backed up by accreditations and awards, with rankings in both the Legal 500 and Chambers directories across several areas. We have also held the Lexcel Law Society quality mark for over a decade.

We are also committed to promoting diversity and inclusivity and to making FJG a great place to work and a great place for our clients to do business. We are proud to be signatories of the Law Society's diversity and inclusion Charter proving we are committed to improving opportunities for people in the legal profession, regardless of background or circumstance. We're also associated with Stonewall which ensures we take workplace inclusivity seriously and all employees are accepted without exception. FJG truly believed inclusion drives better individual, business and organisational outcomes.

FJG are fully committed to increasing communication provisions and training in order to provide access to legal services for all. We are the first law firm to be **awarded a Deaf-Aware Quality Mark** and the first legal practice in the UK to work with SignLive; ensuring that Deaf clients gain swifter access to legal services

with the support of a qualified British Sign Language Interpreter.

Many of our staff are Dementia Friends, with nearly all of the Wills, Life Planning and Probate team, having undergone training to give support and understanding to those affected by Dementia and Alzheimer's.

As well as covering generic legal services, FJG have experience in a broad range of niche sectors such as healthcare, sports litigation, immigration and landlord and tenant services. Plus, we are uniquely placed to offer an "end to end" commercial property service that incorporates construction law and planning consultancy.

You can trust FJG's 130 legal experts and support staff to be authoritatively reassuring, plain speaking and knowledgeable finding efficient and practical ways to help across a wide range of areas. Whether it's company and commercial, family law, wills or conveyancing, FJG is the right choice for you, your family and your business.
